Geography General Seminar

John Quinn
PhD Candidate in Natural Resources
University of Nebraska - Lincoln
Lincoln, NE

**Communicating the Value of Biodiversity with the
Healthy Farm Index**

Room 228, Hardin Hall
UNL East Campus
Friday, February 26, 2010 (2:00 pm)

John Quinn is a PhD candidate in natural resources with a specialization in applied ecology. His research emphasizes concerns within biodiversity, conservation, and sustainability. He is particularly interested in avian ecology, agroecology, restoration of working landscapes, and the role of birding as a medium for environmental awareness and education.
